

of the following described unnamed springs, not to exceed 12.5 gallons per minute, now conveyed by means of pipe lines to and commingled with the waters of Sulphur Springs, to-wit:

No. 1: At a point 393 feet north and 775 feet east of the southeast corner of Section 7, Township 18 South, Range 3 East of Salt Lake Meridian.

No. 2: At a point 341 feet north and 815 feet east from the southeast corner of Section 7, Township 18 South, Range 3 East of Salt Lake Meridian.

No. 3: At a point 514 feet north and 1120 feet east from the southeast corner of Section 7, Township 18 South, Range 3 East of Salt Lake Meridian.

No. 4: At a point 376 feet north and 1170 feet east from the southeast corner of Section 7, Township 18 South, Range 3 East of Salt Lake Meridian.

No. 5: At a point 771 feet north and 1455 feet east from the southeast corner of Section 7, Township 18 South, Range 3 East of Salt Lake Meridian, including a spring situated south 81 deg. east 28 feet from said last mentioned spring, and also including a spring situated south 24 deg. east 31 feet from the spring first mentioned in this paragraph, to which last mentioned spring situated south 24 deg. east 31 feet from said first mentioned spring water is brought from a tiling system now in place and used in gathering water to said point.

All of the water hereinabove decreed to Manti City is conveyed by means of pipe lines to two headhouses, namely, No. 1 and No. 2, from which it is distributed through a pipe-line system for domestic, culinary and municipal purposes in Manti City.

The above mentioned 0.134 c.f.s. of the waters of Manti City Creek, awarded by the State Engineer under subdivision (a) of Claim No. 642 of the State Engineer's Proposed Determination are now collected by means of cuts under what is known as the "Lower Dam", near the mouth of Manti Canyon, which waters are a portion of the waters of Manti City Creek, and it is decreed that Manti City may continue to take said waters not to exceed 0.134 c.f.s., and any other water which it may hereafter acquire in said creek from the point or points where they are now taken, or from any other points where the same may be conveyed into the Manti City waterworks system.

In connection with the above rights, it is hereby further ordered, adjudged and decreed that Manti City is the owner of what is commonly known as the Funk's Canyon Spring situated at or near the head of Funk's Canyon, together with all of the waters now flowing or which may hereafter be developed in said Funk's Canyon (except the early spring run-off from snow) above a point situated 1073 feet west and 412 feet south from the southeast corner of Section 7, in Township 18 South, Range 3 East of Salt Lake Meridian, and that any and all water inter-
